With Webknot, dying is no longer an issue.

- We'll help you evade post-death shame by deleting your browser search history
- Automatic deletion of late night Instagram postings and inspirational quotes on Facebook
- Questionable Snapchats that you keep hiding from your partner will be deleted
- Custom personal memorial site
- Memorial fund for donations

- Everything from tier 1
- Heroic exaggerations of achievements on LinkedIn (where possible)
- Friendsthip grooming by careful evaluation and rejection of unwanted Facebook connections
- Al simulation of your behavior with information gathered from your profile, using machine learning to reply to posts (for 2 years)
- Personalized .deceased domain for memorial site

about my **SULT NISTOLY** but not anymore! 12/10
